

## Commanding General I Marine Expeditionary Force

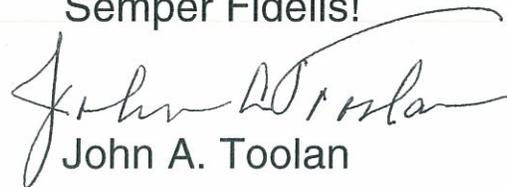

### Family Readiness Vision

We are a Band of Brothers. Together we must ensure our families have access to all the readiness programs and resources. Combine those resources with the below principles and our Band of Brothers will grow.

- A unit, regardless of size, is a disciplined family structure with similar relationships based on mutual respect among members.
- It is essential that issues and problems which tend to lessen a unit's effectiveness be addressed and resolved.
- Being the best requires common effort, hard work, and teamwork. Nothing worthwhile comes easy.
- Knowing your fellow Marine well enables you to learn to look at things through their eyes, as well as your own.
- Apply these principles in your family readiness program and you will have that Band of Brothers.

Semper Fidelis!
