LEADERSHIP EDUCATION SEMINAR
 *Growing Great Leaders*

Commanding Officers, Executive Officers, and Family Readiness Officers:

The Leadership Education Seminar (LES) is a three-day seminar that teaches Communication, Values, Group Dynamics, Conflict Management, Etiquette, Protocol, Crisis and Trauma, Handling the Media, Volunteer Retention, and Transition and Turnover for spouses that are active in unit and base activities. Each Unit has the opportunity to nominate two spouses that would benefit from this seminar. **Please ensure that your nominees are able to attend all three days of the seminar.** Nominations are accepted from Commanding Officers, Executive Officers and Family Readiness Officers. Additional information about LES is available in the attached brochure and our website, www.LESCampPendleton.com.

The seminar will be held aboard Camp Pendleton 30 April through May 2, 2013. Nominations will be due on or before March 26, 2013. Once nominated, nominees will receive registration material via email. **Until our maximum capacity is reached, nominees who complete and return the registration paperwork will have a confirmed seat. Be sure to nominate early to improve your nominees' chances of a seat at the seminar.** Please use the attached form to submit nominations. Send completed nominations to Lisa Stehle at lesregistration@yahoo.com. Once the nomination has been made, we will be unable to accept any changes.

LES is a great opportunity for spouses to gain skills to better support your unit and the military community. If this program has been a benefit to your unit and spouses, we would love to have your feedback. We also have a person on our team specifically designated to work with you, the command or FRO. Our liaison is Janet Fliegel. She can be reached at cpl liaison@yahoo.com. You can also contact our Overall Team Leader, Norma Ruiz at LESOOverallTeamLeader@yahoo.com.

Thank you for helping LES educate, empower and strengthen Navy and Marine Corps spouses.

Sincerely,
LES Team
Spring 2013
