I MARINE EXPEDITIONARY FORCE ORDER 4440.1A

From: Commanding General
To: Distribution List

Subj: ACCOUNTING AND REQUISITION POLICY FOR MATERIAL IN SUPPORT OF PREVENTIVE MEDICINE PERSONNEL WITHIN I MARINE EXPEDITIONARY FORCE (I MEF)

Ref: (a) CO, 1st MedBn ltr 6000 XO of 9 Jun 1994
(b) MCO P4400.150D
(c) UM 4400.124
(d) I MEFO 4444.1

Encl: (1) List of Local TAMCNs for Nonexpendable Items
(2) List of Consumable Items
(3) Special Tools List

1. Purpose. To provide guidance and procedures for accounting and requisitioning the material required for preventive medicine personnel.

2. Cancellation. I MEFO 4440.1.

3. Background. I MEF units have preventive medicine personnel assigned to the Table of Organization (T/O) to provide organic preventive medicine capability. As currently configured, the Table of Equipment (T/E) of the units with preventive medicine personnel assigned does not contain the basic equipment and supplies necessary to carry out the mission. Reference (a) provides additional background. Paragraph 2011.4 of reference (b) authorizes the requisitioning of preventive medicine equipment and supplies when required.

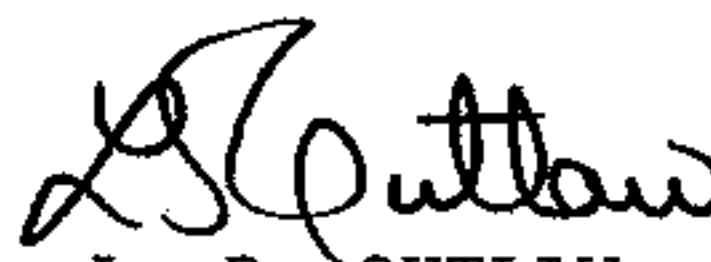

4. Action

a. Commanders of units with preventive medicine personnel assigned (on the T/O) are authorized to requisition the gear listed in the enclosures as required. The local Table of Authorized Material Control Numbers (TAMCNs) in enclosure (1) is to be added to the unit's Type II property records per references (b) through (d) when preventive medicine material is authorized.

b. Requisitioning the consumable items listed in enclosure (2) is recommended as the minimum quantity required. Per paragraph 2005 of reference (b), units are not authorized to stock excess items identified in enclosure (2).

c. Special tools listed in enclosure (3) are authorized to be purchased and kept on hand to support the preventive medicine personnel's performance of duty.

d. Units will record all consumable items on NAVMC 708.

L. D. OUTLAW
Chief of Staff
