

Keeping Your DTS Profile Updated

You should review and update your DTS profile periodically. Your EFT information must be current to ensure your payment does not go to an old/closed account. Current GTCC expiration date, email, phone number will prevent booking reservations and airline ticketing delays.

When should I update my profile?

- New Electronic Funds Transfer (EFT) Account
- New GTCC Account Number
- Update GTCC expiration date
- Unit Address/Phone Number
- Promotion
- Change of Address
- Phone Number
- Emergency Contact Information
- TSA Information
 - ✓ In the **My TSA Information** tab, enter your EDIPI in the *Known Traveler Number* block

How to Update your DTS profile

1. Log into DTS
2. Select your name in the upper right corner. A drop-down of options will appear.
3. On the **My Profile** screen, select each section to review and update.
4. Select **Save** at the bottom of the screen to keep changes.
